## **Karen Reeves Celebrates Eleven Years with Local Propane Marketer Delta Liquid Energy**

**PASO ROBLES, CA (December 21, 2010)** – Paso Robles, Calif. (December 21, 2010) –Accounting Auditor Karen Reeves recently celebrated her eleventh year of employment at local propane company Delta Liquid Energy (DLE). Reeves has been an Accounting Auditor there since 2001.

“Karen has done a great job for DLE these many years,” says Robert Jacobs, Vice President of Retail Operations at Delta Liquid Energy. “And, on top of that, she has been a pleasure to work with.”

Reeves notes that much has changed for her personally since she first started with DLE eleven years ago as a single mother with a son in middle school. “The time seems to have passed by very quickly,” she says, adding that her son is now 22 years-old and she recently celebrated her second-year wedding anniversary. “I believe we do not get older, we get better,” she says cheerfully.

She credits her fun and supportive work environment for helping her to maintain that positive attitude on life. She says her close relationships with co-workers and the many benefits offered by DLE have kept her job engaging and rewarding throughout the past eleven years.
